1954		473 - Adjournment

VETO MESSAGE OF MAYOR HAMMILL - re: LINE ITEM VETOES OF THE 1998
OPERATING BUDGET (AS AMENDED) BY THE OSWEGO COMMON COUNCIL ON
DECEMBER 8, 1997

Mayor
Terrence M. Hammill

Veto Message

For Line-Item Vetoes of the 1998 Operating Budget Passed (As Amended) by the Oswego Common Council on December 8, 1997.

On December 11, 1997, I vetoed several amendments to the Proposed Budget for 1998, passed (as amended) by the Oswego Common Council at its regularly scheduled meeting held on December 8, 1997. Reasons for vetoes are discussed below:

1. Resolutions #444a (\$1,000), #444b (\$3,500), and #444c (\$4,000). These amendments cut the Mayor's budget by a total of \$8,500 (a 6% cut from the budget proposed for the Mayor's Office in 1998). To put this into perspective, The Mayor's office actually spent \$176,956 in 1990, and \$172,272 in 1991. For the seventh year of this administration (1998), I proposed a Mayor's Office budget of \$173,571. As the example shows below, a 2% annual inflation rate could have produced anticipated expenses of over \$200,000 in 1998. In fact, however, the Mayor's budget proposed for 1998 is less than the average Mayor's budget for the years 1990 and 1991. It is unreasonable and punitive to cut \$8,500 from a budget that is very tight already, and is at the same level as almost a decade ago.

<u>Years</u>	<u>Expenses Anticipated 2% inflation</u>
1990/91	\$174,614.00 (average of 90/91)
1992	\$178,106.28 (based on 90/91 expenses)
1993	\$181,668.40 (as above)
1994	\$185,301.76 (as above)
1995	\$189,007.79 (as above)
1996	\$192,787.94 (as above)
1997	\$196,643.69 (as above)
1998	\$200,576.56 (as above)

2. Resolution #444g. Amended the Proposed Operating Budget for 1998 to delete \$5,000 from the Personal Services line. That \$5,000 is required to pay the salary of the Computer Systems Administrator who received a Civil Service upgrade from Grade 24 to Grade 25, as appropriate for a department head. It should be noted that the Computer Department (A1680) had a 7.78% reduction in its proposed operating budget for 1998, in part because of the outstanding work of its systems administrator.

3. Resolution #444i. Amended the Proposed Operating Budget for 1998 by deleting \$4,790 from the proposed part-time salary of \$12,000 for the Director Of Tourism, instead, giving him a 3% raise of \$210 over his 1997 salary of \$7,000. Those opposing a raise to a more appropriate level simply do not know or understand how valuable are the Tourism Director's services to our City and its economy. The Director more than earns that salary; in terms of the many hours he works, the many meetings he attends, the large number of phone requests he answers, and the large number of visitors he serves as our ambassador, he surely has been grossly underpaid in that position.

4. Resolution #444j. Amended the Proposed Operating Budget for 1998 by deleting \$25,000 from City sponsorship of the Children's Stage at Harborfest-'98. As I stated in 1996, when I vetoed the same cut from this year's Operating Budget, "I know of no better way for the City of Oswego to show its continuing support of Harborfest (while knowing exactly where its support is going) than to fund the Children's Stage. This veto is for the children and the families of Oswego."

5. Resolution #444k. Amended the Proposed Operating Budget for 1998 by deleting \$15,000 from the City Sesquicentennial Account. The Sesquicentennial Committee, Chaired by Mrs. Rosemary Nesbitt, has been planning for several months a series of events throughout 1998 to celebrate our 150th anniversary of being chartered as a new city in New York State. The Committee requested that the amount of \$30,000 be placed into the budget to cover anticipated costs of the year-long celebration. That is not an unreasonable amount as a one-time expenditure, and the veto of a \$15,000 cut of that modest expense is, likewise, not unreasonable.

6. Resolutions #444l (\$5,000), #444m (\$4,000), #444n (\$2,000), and #444o (\$4,000). These amendments cut Budget Line A6989 (the High Dam Operating Budget) by \$15,000. This was a new budget line for 1997. It was adjusted internally during preparation of the Proposed Operating Budget for 1998, and held to less than a 2% change for 1998. The cuts of \$9,000 for needed equipment, and of \$6,000 for meetings and training, are unnecessary. That is particularly so since those cuts strike right at the heart of our attempts to maximize the High Dam output and revenues. It is important to note that the entire budget line A6989 is paid for from electricity generated by the High Dam Hydro Station and not from any taxpayers. Those vetoes are to provide for enhanced economic stability and for responsibility.

7. Resolution #444s. Amended the Proposed Operating Budget for 1998 to delete the entire budget line in A9090.8 dedicated to Total Quality Management (TQM). The \$35,000 was placed in the Proposed Budget to continue implementation of TQM into the City work force. The goal of continuously improving our services is worth the training and facilitation. The Oswego Common Council should support such important efforts to improve the delivery of services to our customers, our residents and visitors. Other municipalities around the country, and other levels of government are investing in TQM (or similar models), and we think we are doing the best job of all. This veto was for the City residents and visitors who deserve and are entitled to the best quality of service we can deliver. It also was for the City workforce, the members of which have learned that they really can make a difference in their work environment, and that they deserve to be trained to deliver the best possible service, and to be empowered to do just that. An override of the veto of Resolution #444s will send a cruel message to the City workforce and a negative message to the constituents who depend upon us to provide for their needs.

8. Resolution #444v. Amended the Proposed Operating Budget for 1998 by deleting \$7,780 from Budget Line A7230.5 Marinas & Docks. That amount was to extend through the winter months a seasonal laborer who would be redeployed to winter activities. The Department of Parks, Recreation and Waterways has employed five seasonal laborers, four in Budget Line A7110.5 (Parks) and one in Budget Line A7230 (Marinas and Docks). While Resolution #444t sought to eliminate funding for the four seasonal laborers from the Parks Line (A7110.5), that proposed amendment failed. It is likely that the connection between the two different budget lines (A7110.5 and A7230.5) was simply overlooked. The Superintendent of PRW pointed out correctly that it was more cost-effective to extend the seasonal laborers through the winter months and pay them to work for the City rather than lay them off and pay them unemployment compensation while they stayed home.

Epilogue

I am moved to comment that the Operating Budget I proposed for FY 1998, was virtually identical in total dollar amounts and in tax rate to the Operating Budget for FY 1997, approved by the Oswego Common Council during December of 1996. The Operating Budget for FY 1998 is sound and is designed to achieve our goal of preparing for what would appear to be a somewhat uncertain period because of deregulation of the electrical power industry. The City of Oswego needs to be bold as it prepares for the many changes that surely await it as it moves through deregulation into the transition between now and the new millenium. Thank you all for your assistance in that regard.

Respectfully submitted,

Terrence M. Hammill, Mayor

OFFICE OF
CITY PLANNING BOARD
CITY HALL

CITY OF OSWEGO PLANNING BOARD MINUTES
DECEMBER 9, 1997 MEETING

Members Present: Nick Avrakotos, Chairman
Anthony Leotta, Secretary
Eugene Saloga
Bruce Whitney
Mindy Ostrow
William MacDonald

Absent: Bob Close

Also Present: Attorney P. Michael Shanley

The regular monthly scheduled meeting of the City of Oswego Planning Board was called to order by Chairman Avrakotos at 7:29 P.M., Tuesday, December 9, 1997. Roll call was noted.

Mr. MacDonald made a motion, seconded by Ms. Ostrow and unanimously accepted to approve the minutes of the November 12, 1997 meeting of the Board and to waive the reading thereof.

NEW BUSINESS:

1. Petition -
Zone Change
(Case #97-123)
Property between West Schuyler,
West Seneca & West First Streets
Industrial, IN Zoning District

Appearance: George Clark
Tom O'Day

The Planning Board has petitioned for a Zone Change. The change, if approved, would allow all that tract or parcel of land as shown in Exhibit "A" (attached), to be changed from an IN Industrial Zoning District to a B2 Central Business Zoning District in the City of Oswego.

Mr. Tom O'Day, representing Coleman's Restaurant, spoke in favor of the zone change. His company is seeking to develop a restaurant and lodge on this property. Mr. Clark spoke in support of the Petition.

Motion: Mr. Saloga made a motion, seconded by Mr. Leotta and unanimously accepted to Petition for a zone change as follows:

PETITION

THIS PETITION, is made by the Planning Board of the City of Oswego, New York.

WHEREAS, Section 280-93, Amendment procedure (D) of the Code of the City of Oswego, New York states that, "The Planning Board may petition the Common Council for changes in this chapter or appurtenant Zoning Map, which proposed changes shall be given public notice and hearing and voted upon by the Common Council."

WHEREAS, after review of the Zoning Map of the City of Oswego, New York it has been determined that this property, hereinafter described in Scheduled A, attached hereto and made a part hereof and delineated on Exhibit "A", is located in an IN Industrial District.

WHEREAS, subsequent to a survey of said property's uses, it has become apparent that said uses would be more compatible in a B2 Central Business District.

WHEREAS, Petitioner by this petition is requesting that the Common Council of the City of Oswego, New York consider a zone change for said properties from IN Industrial to B2 Central Business.

NOW, therefore, the Petitioner does hereby petition as the Planning Board of the City of Oswego, New York that said properties hereinafter described in Schedule A be changed from an IN Industrial Zoning District to a B2 Central Business Zoning District in the City of Oswego.

- 2. Site Plan Review
Extension of Building
(Case #97-124)
249 West First Street
Central Business, B2 Zoning District

Appearance: Deanna Masuicca
Jim Bell

Ms. Deanna Masuicca, Executive Director of the YMCA, which is situate in a Central Business, B2 Zoning District in the City of Oswego, has applied to the Planning Board for a Site Plan Review.

PETITION

THIS PETITION, is made by the Planning Board of the City of Oswego, New York.

WHEREAS, Section 280-93, Amendment procedure (D) of the Code of the City of Oswego, New York states that, "The Planning Board may petition the Common Council for changes in this chapter or appurtenant Zoning Map, which proposed changes shall be given public notice and hearing and voted upon by the Common Council."

WHEREAS, after review of the Zoning Map of the City of Oswego, New York it has been determined that this property, hereinafter described in Schedule A, attached hereto and made a part hereof and delineated on Exhibit "A", is located in an IN Industrial District.

WHEREAS, subsequent to a survey of said property's uses, it has become apparent that said uses would be more compatible in a B2 Central Business District.

WHEREAS, Petitioner by this petition is requesting that the Common Council of the City of Oswego, New York consider a zone change for said properties from IN Industrial to B2 Central Business.

NOW, therefore, the Petitioner does hereby petition as the Planning Board of the City of Oswego, New York that said properties hereinafter described in Schedule A be changed from an IN Industrial Zoning District to a B2 Central Business Zoning District in the City of Oswego.

SCHEDULE A

ALL THAT TRACT OR PARCEL OF LAND, situate in the City of Oswego, County of Oswego and State of New York, and more particularly bounded and described as follows: beginning at a point at the intersection of the center line of West First Street and the center line of West Seneca Street; thence in a Northwesterly direction along the center line of West First Street to a point at the center line of West Schuyler Street; thence in a Northeasterly direction along the center line of West Schuyler Street to the west bank of the Oswego River; thence in a Southeasterly direction along the west bank of the Oswego River to a point at the center line of West Seneca Street; thence in a Southwesterly direction along the center line of West Seneca Street to a point at the center line of West First Street, said point being the point and place of beginning.

Attached is a letter from the Oswego Yacht Club listing their 1998 events including the J24 Class Great Lakes Championships and the 11th Annual Sail Oswego Regatta with a request for a resolution to reserve dockage and secure the half-price event rate.

The McCrobie Civic Center Ballroom reservation will be handled through our office like any other room reservation.

This has been the procedure for handling events at Wright's Landing Marina as set by Common Council Resolution.

Dear Greg:

I am writing to requesting the reduced event docking rate and the ballroom of the McCrobie building on the following dates.

The J24 Class Great Lakes Championships will be held on July 10 - 12th. Overnight Docking will be needed for the 10th and 11th.

The 11th Annual Sail Oswego Regatta will be held July 23, 24th and 25th. Overnight docking will be needed for all three days.

I would also like to request the use of the McCrobie Building ballroom for the following dates and times.

July 9th	8PM-10PM
July 10th	10AM-8PM
July 11th	5PM-8PM
July 23rd	5PM-9PM
July 24th	9AM-12PM
July 25th	5PM-8PM

I would also like to discuss with you plans for the Nautical Flea Market on May 2, 1998, the Blessing of the Fleet and a small meeting room for the J24 Regatta.

If you have any questions do not hesitate to contact me at (315) 342-3974.

Sincerely,

Daniel J. Mather
Commodore

CITY OF OSWEGO, NEW YORK
Motions, Resolutions and Notices

By Alderman Mercier

WHEREAS, the Oswego Yacht Club will be sponsoring two sailing regattas in 1998, with activities scheduled at Wright's Landing Marina and the McCrobie Civic Center, and

WHEREAS, pursuant to Resolution No. 264 of 1998, the Oswego Yacht Club has applied for the Special Event Rate for dockage and launch fees at Wright's Landing Marina in addition to space in the McCrobie Civic Center, now therefore be it

RESOLVED, that permission is hereby granted to the Oswego Yacht Club to use facilities in the McCrobie Civic Center and that the Special Event Rate of 50% off all normal marina fees be in effect for the J24 Class Great Lakes Championships July 10-12, 1998 and the Sail Oswego Regatta July 23-25, 1998, and be it further

RESOLVED, that any liability incurred in the use of the facilities be the responsibility of the Oswego Yacht Club, and that prior to the events, a Certificate of Insurance naming the City of Oswego as insured be filed in the Office of the City Clerk and that an appropriate, responsible party from the Oswego Yacht Club shall execute an Indemnification and Hold Harmless Agreement and Waiver agreeing to release the City of Oswego for any liability arising from use of such facilities, and be it further

RESOLVED, that clean-up of all areas used be the responsibility of the Oswego Yacht Club, and be it further

RESOLVED, that the City of Oswego will be reimbursed by the Oswego Yacht Club for any extra-ordinary costs by these events.

January 1998 Clothing/Footwear Exemption

December 29 is the deadline to enact.

December 30 is the deadline for the Department to receive your resolution.

Governor Pataki and the Legislative leaders have announced an agreement for the State to provide an exemption for clothing and footwear purchases of less than \$500 per item from the state-level sales tax for the week of January 17 through January 23, 1998.

The legislation will provide that counties and cities having a local sales tax may elect to piggyback the State exemption during that week, **but only if by December 29, 1997**, they enact a resolution expressing the county's or city's intent that the exemption likewise applies to its local tax. The county or city must adopt the model resolution and have the resolution **delivered** to the Department of Taxation by **5:00 p.m.**, Tuesday, **December 30, 1997**, in order for the local exemption to apply. Otherwise the local tax will still apply.

Specific information and explicit directions on how to enact the resolution for this clothing and footwear tax exemption are enclosed.

If you have any questions about the procedures to enact the resolution, please contact Steven U. Teitelbaum, Deputy Commissioner and Counsel, at (518) 457-3746.

454

MODEL RESOLUTION FOR COUNTIES AND CITIES IMPOSING SALES AND USE TAXES
TO ELECT THE ONE-WEEK CLOTHING/FOOTWEAR EXEMPTION FOR JAN 17-23, 1998

RESOLUTION of _____
(Insert proper title of local legislative body of the city or county)

To Enact

One-Week Sales and Use Tax Clothing and Footwear Exemption

Be it enacted by _____
(insert proper title of local legislative body)
as follows:

Section one. The local legislative body of this jurisdiction hereby expresses its intent that receipts from sales of and consideration given or contracted to be given for purchases of clothing and footwear exempt from state sales and compensating use taxes pursuant to paragraph 30 of subdivision (a) of section 1115 of the tax law during the period commencing January 17, 1998, and ending January 23, 1998, should also be exempt from sales and compensating use taxes imposed in this jurisdiction.

Section two. This resolution shall take effect immediately and shall apply to sales made and uses occurring during such period, although made or occurring under a prior contract.

This resolution must be enacted by Monday, December 29, 1997. The resolution should be enacted as a resolution, regardless of the fact that the county or city imposes sales and use taxes by local law or ordinance. There should be no text changes, other than inserting the proper legal title of the local legislative body enacting it. In order to be effective, a certified copy must also be mailed, faxed (to (518) 457-7427, (518) 485-7196 or (518) 457-2486) or otherwise delivered so that it is received without fail by Tuesday, December 30, 1997. Be sure that the certified copy contains or shows the raised or other official seal of the local clerk making the certification. Send or otherwise deliver the certified copy of the enacted resolution to:

Commissioner of Taxation and Finance
Attention: Karen McCarthy-Townsend
Secretary to the Commissioner of Taxation and Finance
Room 206, Building 9
W A Harriman Campus
Albany, New York 12227

You must also file certified copies with the local (county or city) clerk, the Secretary of State and the State Comptroller within five (5) days of enactment.

RESOLUTION of the Common Council of the City of Oswego, Oswego County, NY

To Enact

One-Week Sales and Use Tax Clothing and Footwear Exemption

Be it enacted by the Common Council of the City of Oswego, Oswego County, NY, as follows:

Section one. The local legislative body of this jurisdiction hereby expresses its intent that receipts from sales of and consideration given or contracted to be given for purchases of clothing and footwear exempt from state sales and compensating use taxes pursuant to paragraph 30 of subdivision (a) of section 1115 of the tax law during the period commencing January 17, 1998, and ending January 23, 1998, should also be exempt from sales and compensating use taxes imposed in this jurisdiction.

Section two. This resolution shall take effect immediately and shall apply to sales made and uses occurring during such period, although made or occurring under a prior contract.

Re: RESTORATION OF EAST UTICA STREET

Dear Councilors:

In the restoration of East Utica Street, between East Ninth and East Tenth Street, we discovered an additional sanitary house lateral that had to be replaced which originated from a house that fronts at 251 East Ninth Street. This lateral reached East Utica Street cross lots and was not obvious. This information was not available at the time the drawings were prepared.

The contractor requires a cost extra, in the amount of \$2,000 for this additional lateral.

Respectfully,

ANTHONY A. LEOTTA
City Engineer

AAL:sg

To : Honorable Terrence Hammill, Mayor

From : Donald J. Neels, Commissioner - D.P.W.

Re : New wiring and lighting for City Hall

With your approval, I would like to go to committee to authorize the Purchasing Agent to draw up a Request For Proposal to correct the problems in the wiring and lighting of City Hall. The RFP would also develop a plan and quote for the renovation of necessary areas of the buildings lighting system.

The reason for this request is due mostly in part to the numerous lighting problems that exist in the building. The third floor engineer's office, mayor's conference room and mail room have broken lights that are only repairable by major rewiring projects. Other locations, such as the personnel offices and hallways, can not be repaired due to the lack of repair parts such as ballast's. The lights are very old and the repair parts are no longer manufactured. The final reason is that we have had numerous complaints about the lighting. A quick examination of the building proves that it is poorly lit. The lighting system needs to be updated to support the operations of the building.

If this meets with your approval would you please forward this proposal committee.

Respectfully,

Donald J. Neels
Commissioner
Dept. of Public Works

TO: DON NEELS

FROM: JASON WALLACE

SUBJECT: City Hall Lighting

1. The problems with the lighting system in City Hall are numerous. The first real problem is that the DPW has received a number of complaints about the lack of light in many offices, i.e. the City Attorney's, the copy room, and Engineering. There was a test conducted a few years ago to determine if the lighting was sufficient and with all the lights operational, the amount of light was on the very low end of acceptable for the type of work being done at City Hall. Now, with numerous lights being inop, the lighting is sure to fall below acceptable standards.
- 2.. The lighting system is also outdated. The DPW can not any longer buy replacement parts to operate the system. Along the same lines, the system is no longer an efficient energy using the system. The city could save on electricity by upgrading the system.
3. The actual lights in some of the bathrooms and the stairwells were noted by the Department of Labor for being unsafe during their recent inspection. The globes have been broken and are no longer made. This creates a safety problem by leaving the lights exposed.
4. Enclosed is a copy of the letter received by the DPW from Sciba Electric when we had them try to repair three lights in the Engineers office.
5. After speaking with our electrician, he concurred on the difficulty of this project. He also stated that the ballast's are placed in such a manner as to the create problems due to the heat emitted. The ballast's are mounted to the wall, one upon another. This is causing the top ballast's to overheat and fail. He continued to mention a problem with knowing what wires were to what system.
6. This seems to be a very complicated problem that the DPW would like an expert to evaluate and make recommendations on possible solutions. To try to Band-Aid the problem may actually create more problems.

Re: City Hall Third Floor Lighting

Dear Don:

Last week we tried to make repairs to the lights in the city engineers office, but were unable to due to unforeseen conditions. The original plan was to upgrade the existing mercury vapor fixtures that were not operating to metal halide type. The mercury vapor parts are no longer available and will have to be changed eventually. This upgrade would repair the fixtures to today's standards for renewal parts and energy efficiency.

To do this, the only ballast found that had the same physical size requires 120 volts instead of 208 volts. The change in voltage is possible. But the problem that still has to be over come is the way the wiring from the ballast to fixture was done. The common to the individual fixtures are tied together in some sort of random order. These have to be separated in order to change only a couple of ballast at a time.

Upon trying to separate the commons, it was found that the conduits are too small to install additional wires. The junction boxes were under sized, and the wires are hanging out of them. It was also discovered that the wires inside the fixtures are damaged due to the heat.

So with all of this in mind, it is my recommendation that it is time the system is replaced. The wire inside the fixtures need to be changed out to a high temperature type. A larger conduit needs to be installed with individual conductors from each fixture in them, from the fixtures to the ballast. Change out all the ballast and lamps to metal halide type.

This would give the city basically a new lighting system on the third floor. Using about a third less energy and giving you some spare parts for the balance of the building until which time the remaining floors are upgraded. Which will eventuality have to be done.

A budgetary figure for the construction cost on this project is \$38,421.00.

Sincerely,
Scriba Electric, Inc.

COMMUNICATION FROM OFFICERS OF THE CORPORATION

TO: Committees of the Common Council

Date: December 8, 1997

- ☐ Planning & Development
☐ Physical Services
☒ Administrative Services
☐ Human Services

Fr: Office of

- ☐ City Attorney
☐ City Chamberlain
☐ City Clerk
☐ City Engineer
☐ Community Development
☐ Dept. of Fire
☐ Dept. of Personnel
☐ Dept. of Police

- ☐ Purchasing Agent
☐ Recreation
☐ Sewage Treatment Plant, E/W
☐ Traffic Engineering
☐ Dept. of Water
☒ Dept. of Works
☐ Zoning & Planning
☐ Other

Would this committee please authorize the Purchasing Agent to draw up a Request for Proposal to correct the problems in the wiring and lighting of City Hall. The RFP would also develop a plan and quote for the renovation of necessary areas of the buildings lighting system.

The reason for this request is due mostly in part to the numerous lighting problems that exist in the building. The third floor engineer's office, mayor's conference room and mail room have broken lights that are only repairable by major rewiring projects. Other locations, such as the personnel offices and hallways, can not be repaired due to the lack of repair parts such as ballast's. The lights are very old and the repair parts are no longer manufactured. The final reason is that we have had numerous complaints about the lighting. A quick examination of the building proves that it is poorly lit. The lighting system needs to be updated to support the operations of the building.
