Good Afternoon Tanya,

In order to place a memorial bench at Breitbeck Park, it needs to be approved by both Committee and Council. You would just email us the request, stating you wish to donate a bench in memory of, whomever. Once it is approved you would go ahead and order the bench with the company we use. As far as time frame on install, I am uncertain, as I know we do still have a few benches waiting to be installed at this time.

I have included Michelle from our office in this email, as she does our communications to Committee and Council for these types of requests. She can also provide you with the information for ordering once the request is approved.

Please let us know if you have any other questions.
